Sea Inflatables

The new Inflatables we manufactured are called Sea Animal Inflatables, these inflatables we have supplied to Portugal for an Event called 'ECO KIDS FESTIVAL'.

Original Names of these Sea Animals are,

Blue Whale (30 meter / 100 feet in length),

Sperm Whale (18 meter / 60 feet in length),

Orca Whale (9 meter or 30 feet in length), Dolphin (2.5 meter or 8 feet in length),

Vaquita (1.3 meter or 4.3 feet length), we executed these animals in record time

of only 10 days and all these inflatables are real

sized. Our Skilled work force have made these

look like real Sea Animals by creating a beautiful

design, fabrication and most importantly air

brushing the entire inflatables with all details

and structure into real effect.
